## Open call for proposals „*Awareness raising activities on domestic violence and to discourage the demand for commercial sex*“

### RULES AND REGULATIONS FOR APPLICANTS

The Rules and Regulations for Applicants (hereinafter: *the Rules*) regarding the open call for proposals „*Awareness raising activities on domestic violence and to discourage the demand for commercial sex*“ are established on the basis of the Memorandum of Understanding on the implementation of Norwegian Financial Mechanism 2014-2021 signed between the Kingdom of Norway and the Republic of Estonia, the Memorandum of Understanding on the implementation of European Economic Area Financial Mechanism 2014-2021 signed between the Republic of Iceland, the Principality of Liechtenstein, the Kingdom of Norway and the Republic of Estonia as well as according to the Regulation of the Government of the Republic of Estonia No 55 from 05.07.2018 "*The rules and procedures for application for and implementation of the grants from the EEA and Norwegian Financial Mechanisms 2014-2021*".

#### Chapter 1 General provisions

##### 1. Subject matter

- 1.1. The Rules of the open call for proposals „Training of domestic violence specialists and establishment of a programme(s) for sex buyers“ (hereinafter: *open call*) are set within the Outcome „Reduced domestic and gender-based violence and gender inequalities“ financed from the EEA and Norway Grants 2014-2021 programme „Local Development and Poverty Reduction“ (hereinafter: *programme*).
- 1.2. In this document, Provisions of Administrative Procedure Act apply taking into account the distinctions made by the Rules.

## 2. Definitions

- 2.1. Indicator - quantitative or qualitative variable specifying what is to be measured along a scale or dimension. It should always be expressed in neutral terms: it should neither indicate the direction or change nor embed a target.
- 2.2. Domestic violence – acts of physical, sexual or psychological nature taking place in a family or at home, between current or ex-partners, regardless of the fact whether the perpetrator of violence has been or is living together with the victim of violence.
- 2.3. Gender-based violence – violence directed against women because of their gender or that affects women disproportionately.
- 2.4. Grant – financial support for specific activities described at the project application. The project grant is funded 85% by the Norwegian Financial Mechanism and 15% through Estonian national co-financing;
- 2.5. Non-governmental organisation (NGO) – a non-profit voluntary organisation established as a legal entity, having a non-commercial purpose, independent of local, regional and central government, public entities, political parties and commercial organisations. Religious institutions and political parties are not considered NGOs.
- 2.6. Outcomes: the (short and medium-term) effects of an intervention's outputs on the intermediaries or end beneficiaries. Outcomes are rarely under the direct control of an individual project.
- 2.7. Outputs: products, capital goods and services delivered by a programme/project to the intermediaries. Outputs are easy to attribute directly to the resources used and the activities performed. They are within the greatest control of the implementing organisation.
- 2.8. Project partner – a legal person actively involved in, and effectively contributing to, the implementation of a project. It shares with the Project Promoter a common economic or social goal which is to be realised through the implementation of that project. An organisation simply providing service to the project promoter cannot be defined as project partner.
- 2.9. Project Promoter – an entity, public or private, commercial or non-commercial and non-governmental organisations, established as a legal person Estonia, or an international organisation acting in Estonia, having the responsibility for preparing and implementing a project financed from the EEA and Norway Grants 2014-2021 programme „Local Development and Poverty Reduction“.
- 2.10. Programme Operator (PO) – responsible body for the preparation, implementation as well as achieving the results and objectives of the programme.
- 2.11. Programme Operator Implementing Agency (POIA) – a contracted party to the Programme Operator dealing with the technical coordination and implementation of the programme, amongst other things receiving project applications, making grant decisions as well as changing grant decisions, making payments to project Promoters, processing project expenditure reports and monitoring the adherence to the procurement rules, carrying out on-the-spot checks and processing of irregularities and reclamation of the grant.
- 2.12. Reimbursement request – a formal request made by the Project Promoter to POIA through the e-grants platform to receive a payment for eligible costs made or furnish the pre-financing payment received with eligible costs made. The reimbursement request must include all eligible project costs made during the reporting period. In valid cases and in agreement with the POIA, the Project Promoter can reflect also costs from the previous reporting period.
- 2.13. Selection Committee – a body established by the Programme Operator, consisting of at least three voting members possessing the relevant sector expertise, at least one of them external to the PO and its partners.
- 2.14. Target: a value for an indicator to be accomplished by a specific date in the future. It is what the intervention would like to achieve within a certain period in relation to one of its expected results (outputs, outcomes and/or objectives).
- 2.15. Unit price – basis for voluntary work that shall be in accordance with salary normally paid for such work in Estonia, including the required social security contributions. The prices may vary depending on region in which the work is performed or the type of voluntary

work, and may be adjusted during the implementation of the Programme in order to take into account changes in salaries.

### **3. Programme Operator and Implementing Agency**

The duties of the Programme Operator (PO) of the programme „Local Development and Poverty Reduction“ are carried out by the Ministry of the Social Affairs of Estonia while the duties of the Implementing Agency (POIA) are executed by the State Shared Service Centre.

### **4. Appeal proceedings**

Any Programme Operator's or Implementing Agency's decision can be appealed according to the timeframe and procedure described in § 73 of the Administrative Procedure Act.

## **Chapter 2 OBJECTIVES, PROGRAMME OUTPUTS, PROGRAMME OUTCOMES AND TARGET INDICATORS**

- 5.1. The objective of the open call is to reduce domestic and gender-based violence in the Estonian society.
- 5.2. The open call shall contribute to meeting the targets set for outputs and outcomes of the “Local Development and Poverty Reduction” programme as a whole.
- 5.3. The outputs of the programme include awareness raising activities to reduce domestic violence and activities to discourage the demand for commercial sex. The output-level targets of the open call are:
  - 5.3.1 at least one awareness raising campaign targeted at reducing domestic and gender-based violence with male role models carried out;
  - 5.3.2 at least three short movies on domestic violence for children and youth created;
  - 5.3.3 at least two awareness raising activities reaching at least 12 000 people in Estonia to discourage the demand for commercial sex.
- 5.4. The outcomes of the programme are expressed by three indicators: (1) the percentage of population in favour of criminalising the buying of sex), (2) the percentage of population not blaming victims of domestic violence and (3) the percentage of population not blaming victims of sexual violence. As a result of all projects being implemented, the following target values of the outcome indicators shall be reached for the whole programme<sup>1</sup>:
  - 5.4.1 at least 60% of population is in favour of criminalising the buying of sex;
  - 5.4.2 at least 55% of population is not blaming victims of domestic violence;
  - 5.4.3 at least 60% percentage of population is not blaming victims of sexual violence.
- 5.5. The project under the open call will be required to report to the Programme Operator on how it is contributing to meeting the output-level and outcome-level targets of the programme. Please see point 27.1.1 for details.

---

<sup>1</sup> PO considers these outcome targets levels as conservative and strives to reach higher targets.

### Chapter 3 ELIGIBLE ACTIVITIES, ELIGIBLE COSTS AND GRANT RATE

#### 6. Eligible activities, conditions and quality assurance requirements (professional competence of the project team)

- 6.1. The activities carried out under the call for applications are:

  - 6.1.2 making of short films on the topic of domestic violence, aimed at children and young people;
  - 6.1.3 conduct of awareness-raising activities on the topic of human trafficking committed for the purpose of prostitution and sexual exploitation.
  
- 6.2. The following requirements shall be followed in order to ensure the quality of the activities supported based on the call for applications:
  - 6.2.1 the activities highlight the importance of the choices, behaviour and roles, as well as positive role models of men and boys in combating domestic and/or gender-based violence;
  - 6.2.2 the activities promote understanding of the victims of domestic and/or gender violence;
  - 6.2.3 the activities dispel the myths related to domestic and/or gender-based violence and do not reproduce gender stereotypes;
  - 6.2.4 the creative solutions shall consider the structural nature of gender-based violence against women;
  - 6.2.5 the content of creative solutions and the solutions regarding the media plan must be based on scientific knowledge in order for the solutions to help guide and nudge social perceptions;
  - 6.2.6 the texts of messages and materials (incl. video materials) shall be conceptually and linguistically understandable for the Russian-speaking target group as well. This means that the use of mere direct translations is not allowed;
  - 6.2.7 the messages and texts of the materials must undergo language editing and be correct in Estonian, as well as Russian;
  - 6.2.8 the solutions and designs used in advertisements shall comply with the Advertising Act;
  - 6.2.9 the visual materials shall be accessible for hearing and visually impaired people as well. Therefore, the video materials shall be subtitled in Estonian and Russian, and the written texts used online shall be readable via screen reading software;
  - 6.2.10 events shall also be accessible to persons with reduced mobility.
  
- 6.3. Awareness-raising campaign on domestic and gender-based violence (hereinafter "campaign"):
  - 6.3.1 men shall also be included as positive role models in the implementation of the activities;
  - 6.3.2 the domestic violence expert shall be actively involved in the development of messages, texts, and visual materials in order to ensure the compliance of the materials of the awareness campaign with the principles on combating domestic and gender-based violence set out in articles 6.2.1–6.2.4 of the Rules;
  - 6.3.3 the visibility period shall be at least four weeks;
  - 6.3.4 the budget shall include all copyright fees;
  - 6.3.5 a follow-up study of the campaign shall be carried out in order to assess its performance and impact, and it shall cover the noticeability of the campaign, comprehensibility and likeability of the creative solution, as well as the impact of the campaign on awareness and attitudes.
  
- 6.4. Short films on the topic of domestic violence, aimed at children and young people

(hereinafter “short films”):

- 6.4.1 the short films shall cover different aspects of the topic of domestic violence (noticing, reacting, supporting victims, prevention) based on real life examples that people relate to and that make them think about and discuss domestic and gender-based violence;
  - 6.4.2 there shall be at least three short films;
  - 6.4.3 the short films shall form a cohesive aesthetic and conceptual whole, so that each short film is clearly identifiable as part of the series of short films;
  - 6.4.4 in order for the short films to be used as study materials, relevant guidance/study materials must be developed to support active reflection and discussion on the topics discussed in the short films and help raise the awareness of children and young people on the topic of domestic violence;
  - 6.4.5 a domestic violence expert shall be actively involved in the development of short films and guidance/study materials in order to ensure compliance of the content of short films and guidance/study materials (incl. visuals) with the principles on combating domestic and gender-based violence set out in articles 6.2.1–6.2.4 of the Rules;
  - 6.4.6 the short films and guidance/study materials shall be made available to the public via a digital learning environment (e.g. e-Koolikott);
  - 6.4.7 short films shall be showed and the guidance/study materials and information thereon shall be distributed among children and young people, as well as the teachers engaged;
  - 6.4.8 the budget of the short films and guidance/study materials shall, inter alia, include all copyright fees;
  - 6.4.9 the short films and guidance/study materials shall be available to the public and usable for at least five years after the end of project activities.
- 6.5. The awareness-raising activities on the topic of human trafficking committed for the purpose of prostitution and sexual exploitation shall:
- 6.5.1 focus on reducing the demand for prostitution and human trafficking;
  - 6.5.2 be based on the notion that prostitution is violence against women, which must be prevented, hindered and the victims of which must be offered diverse assistance. The coverage of demand shall be based on ethical, social, as well as legal consequences;
  - 6.5.3 be developed and implemented in cooperation with the prostitution expert in order to ensure compliance with the principles on combating prostitution set out in articles 6.5.1–6.5.2 and the principles on combating gender violence set out in articles 6.2.1–6.2.4 of the Rules;
  - 6.5.4 reach at least 12,000 people in Estonia.
- 6.6. To ensure the quality of activities:
- 6.6.1 **the applicant or project partner included in the implementation of activities** shall have at least three years of experience in implementing prevention activities concerning domestic violence or prostitution or human trafficking or in helping the victims of these crimes;
  - 6.6.2 **the applicant or project partner included in the implementation of activities** must have implemented at least two campaigns similar to the awareness campaign described in the application within the last six years. A similar campaign means development and implementation of a campaign with various activities and versatile channels;
  - 6.6.3 The project team shall include a **project manager, domestic violence expert, prostitution expert, creative director, art director, copywriter, technical designer,** and a **PR consultant**. One team member may carry out the duties of a maximum of two team members: in this case, the competence of the team member shall meet the requirements set for both team members;
  - 6.6.3.1 **a project manager** shall have experience in managing a project similar to the project described in the application in terms of the volume of activities and duties, as well as at least three years of experience as a project manager within the last ten years;
  - 6.6.3.2 **the domestic violence expert** shall have a Master’s degree or an equivalent qualification in social work, psychology or pedagogy, and at least three years of

experience in preventing domestic violence or helping the victims thereof within the last ten years;

6.6.3.3 **the prostitution violence expert** shall have a Master's degree or an equivalent qualification in social work, psychology or pedagogy, and at least three years of experience in preventing prostitution or related human trafficking or helping the victims thereof within the last ten years;

6.6.3.4 **the creative director, art director, copywriter, technical designer and PR consultant** shall have prior experience in implementing an awareness campaign within the last six years.

## 7. Eligibility period

7.1. The eligibility period of the projects financed under the call is a period between the start and end of project activities and eligible costs. The eligibility period is laid down in a project contract. The earliest start of eligible project activities can be as of date of when the positive grant awarding decision made.

7.2. The eligibility of costs starts as of project grant awarding decision and projects may run up to 24 months and should be finished by the deadline laid down in a grant decision but no later than April 30, 2024.

7.3. Expenditures incurred after April 30, 2024 are not eligible.

## 8. Grant size and rate

8.1. The budget of the open call is 200 000 euros. One single project grant will be awarded in the amount of 200 000 euros.

8.2. The maximum project grant rate is:

8.2.1 90% for NGOs;

8.2.2 85% for all other entities.

8.3. The minimum co-financing rates are accordingly:

8.3.1 10% for NGOs;

8.3.2 15% for all other entities.

8.4. In case of projects where the project promoter is an NGO, in-kind contribution in the form of voluntary work may constitute up to 50% of the co-financing required by the programme for the project.

8.5. The in-kind contribution referred to in article 8.4 has to be in accordance with salary normally paid for such work in the Beneficiary State, including the required social security contributions. The prices may vary depending on region in which the work is performed or the type of voluntary work, and may be adjusted during the implementation of the Programme in order to take into account changes in salaries.

## 9. General principles on the eligibility of expenditures

9.1. Eligible expenditures of projects are those actually incurred within the project, which meet the following criteria:

9.1.1 they are incurred between the first and final dates of eligibility of a project as specified in the project contract;

9.1.2 they are connected with the subject of the project contract and they are indicated in the detailed budget of the project;

9.1.3 they are proportionate and necessary for the implementation of the project;

- 9.1.4 they must be used for the sole purpose of achieving the objective(s) of the project and its expected outcome(s), in a manner consistent with the principles of economy, efficiency and effectiveness;
  - 9.1.5 they are identifiable and verifiable, in particular through being recorded in the accounting records of the Project Promoter and/or project partner and determined according to the applicable accounting standards of the country where the Project Promoter and/or project partner is established and according to generally accepted accounting principles;
  - 9.1.6 they comply with the requirements of applicable tax and social legislation.
- 9.2. Expenditures are considered to have been incurred when the cost has been invoiced, paid and the subject matter delivered (in case of goods) or performed (in case of services and works).
  - 9.3. Exceptionally, costs in respect of which an invoice has been issued in the final month of eligibility are also deemed to be incurred within the dates of eligibility if the costs are paid within 30 days of the final date for eligibility.
  - 9.4. Overheads and depreciation of equipment are considered to have been incurred when they are recorded on the accounts of the Project Promoter and/or project partner. Where equipment is purchased, only the portion of the depreciation corresponding to the duration of the project and the rate of actual use for the purposes of the project may be considered eligible expenditure.
  - 9.5. The Project Promoter's internal accounting and auditing procedures must permit direct reconciliation of the expenditures and revenue declared in respect of the project with the corresponding accounting statements and supporting documents.
  - 9.6. When setting the project grant rate, the Programme Operator shall take into account any economic benefit, e.g. cost savings, revenue or increased profit, which is a result of receiving the grant. Economic benefits shall be used in a manner which supports the objectives of the project.
  - 9.7. The costs borne by the project partner are reimbursed similarly as to the Project Promoter. In case of project partners whose primary location is either in the Kingdom of Norway, Republic of Iceland or the Principality of Liechtenstein, a report by an independent auditor qualified to carry out statutory audits of accounting documents, certifying that the claimed costs are incurred in accordance with this Regulation, the national law and relevant national accounting practices, shall be accepted as sufficient proof of expenditure incurred.

## 10. Eligible direct expenditures in a project

- 10.1. The eligible direct expenditures for a project are those expenditures which are identified by the Project Promoter and/or the project partner, in accordance with their accounting principles and usual internal rules, as specific expenditures directly linked to the implementation of the project and which can therefore be booked to it directly.
- 10.2. The following direct expenditures are eligible provided that they satisfy the criteria described below:
  - 10.2.1 **cost of staff assigned to the project** as listed in article 10.4 of the Rules. The corresponding salary costs of staff of national administrations are eligible to the extent that they relate to the cost of activities which the relevant public authority would not carry out if the project concerned were not undertaken;
  - 10.2.2 **travel and subsistence allowances** for staff taking part in the project as regulated in Estonian legislation;

- 10.2.3 **communication and visibility costs.** Every project has to carry out at least two events publicising the project activities and results (for instance an opening and closing seminars, press conference etc.) and create a project web-page in Estonian and English languages (can be a sub-section of an organisation's homepage) where all essential project information about the activities, events and results of the project are being exhibited;
- 10.2.4 **cost of new or second-hand equipment.** Only the portion of the depreciation corresponding to the duration of the project and the rate of actual use for the purposes of the project may be considered eligible expenditure. In case the Project Promoter justifies that the equipment is an integral and necessary component for achieving the outcomes of the project, the entire purchase price of that equipment may be eligible;
- 10.2.5 **purchase of land or real estate** constituting up to 10% of the eligible project costs;
- 10.2.6 **costs of consumables and supplies,** provided that they are identifiable and assigned to the project;
- 10.2.7 **costs entailed by other contracts** awarded by a Project Promoter for the purposes of carrying out the project, provided that the awarding complies with the applicable rules on public procurement and the Rules;
- 10.2.8 **costs arising directly from requirements** imposed by the project contract for each project.
- 10.3. Where the entire purchase price of equipment is eligible, the Project Promoter:
- 10.3.1 will keep the equipment in its ownership for a period of at least five years following the completion of the project and continues to use that equipment for the benefit of the overall objectives of the project for the same period;
- 10.3.2 will keep the equipment properly insured against losses such as fire, theft or other normally insurable incidents both during project implementation and for at least five years following the completion of the project; and
- 10.3.3 will set aside appropriate resources for the maintenance of the equipment for at least five years following the completion of the project.
- 10.4. The following costs are defined as direct staff costs:
- 10.4.1 Salary of the project manager, assistant and project activity experts;
- 10.4.2 Salary of a member of staff working for the project under an employment contract or public service recruitment decision, proportionally as to the time and workload contributed to the project activities;
- 10.4.3 Salary of a member of staff recruited to the project under the Law of Obligations Act that is taxable for social security contributions and unemployment insurance, proportionally as to the time and workload contributed to the project activities;
- 10.4.4 Holiday pay proportionally as to the time and workload contributed to the project activities and according to the Estonian legislation;
- 10.4.5 Compensations foreseen by law when ending the employment contract or leaving the public service, and also other compensations, proportionally as to the time and workload contributed to the project activities
- 10.4.6 All taxes required by the law in personnel costs described in points 10.4.1-10.4.5.

## 11. Indirect costs in projects (overheads)

- 11.1. Indirect costs are all eligible costs that cannot be identified by the Project Promoter and/or the project partner as being directly attributed to the project but which can be identified and justified by its accounting system as being incurred in direct relationship with the eligible direct costs attributed to the project. They may not include any eligible direct costs.
- 11.2. Indirect costs will be calculated as a flat rate of up to 15% of direct eligible staff costs.

- 11.3. The following project activity costs related to the management of the project are defined as indirect costs:
- 11.3.1 accounting;
  - 11.3.2 secretary and personnel work;
  - 11.3.3 legal counselling;
  - 11.3.4 property management;
  - 11.3.5 IT support service;
  - 11.3.6 Other activity of supporting nature.
- 11.4. In addition to activity costs listed in article 11.3, the following overhead costs are defined as indirect costs:
- 11.4.1 office supplies and –furniture costs (buying and renting as well as maintenance costs);
  - 11.4.2 communication costs, incl. telephone and fax service costs as well as postal and internet communication services;
  - 11.4.3 IT costs, incl. hardware and software, network services, office equipment costs as well as maintenance and repair costs;
  - 11.4.4 utilities, incl. costs related to heating, water and electricity and maintenance of rooms;
  - 11.4.5 rent of office space;
  - 11.4.6 security costs;
  - 11.4.7 land taxation costs;
  - 11.4.8 opening and maintenance costs of bank accounts as well as transaction costs;
  - 11.4.9 posting costs within Estonia.

## 12. Excluded costs

The following costs shall not be considered eligible:

- 12.1 interest on debt, debt service charges and late payment charges;
- 12.2 charges for financial transactions and other purely financial costs, except costs related to accounts required by the NMFA, the National Focal Point or the applicable law and costs of financial services imposed by the project contract;
- 12.3 provisions for losses or potential future liabilities;
- 12.4 exchange losses;
- 12.5 recoverable VAT;
- 12.6 costs that are covered by other sources;
- 12.7 fines and penalties;
- 12.8 costs of litigation, except where litigation is an integral and necessary component for achieving the outcomes of the project; and
- 12.9 excessive or reckless expenditure;
- 12.10 buying or leasing a motor vehicle;
- 12.11 repair costs of motor vehicles or equipment to motor vehicles.

## 13. State aid and *de minimis* aid

- 13.1. Financial support given to Project Promoters could prove to be *de minimis* aid compatible with Article 3 of the European Commission regulation (EU) No 1407/2013 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to *de minimis* aid.
- 13.2. In case the grant awarded is regarded as *de minimis* aid according to the European Commission regulation (EU) No 1407/2013, the maximum *de minimis* aid amount allowed to be awarded to a single entrepreneur within a time period of three financial years is in total 200 000 euros.
- 13.3. In case the grant awarded is regarded as *de minimis* aid, all legal persons related to each other in accordance with Section 2 of Article 2 of the European Commission regulation (EU) No 1407/2013 are considered as a single entrepreneur.

- 13.4. In case the grant awarded is regarded as *de minimis* aid, the cumulation rules of receiving aid for different purposes apply in accordance with Article 5 of the European Commission regulation (EU) No 1407/2013.
- 13.5. *De minimis* aid cannot be given for areas and activities listed in Sections 1c, 1d and 1e of Article 1 of the European Commission regulation (EU) No 1407/2013.

<sup>2</sup> this information may also be stated in the application

<sup>3</sup> this information may also be stated in the application

<sup>4</sup> this information may also be stated in the application

- 15.5. When the applicant has submitted a grant application for the same or partially the same activities elsewhere, whether it be either national sources or foreign aid, the applicant must disclose such information in its application.

## **Chapter 5 PROJECT APPLICATION**

### **16. Launching the project application process**

- 16.1. Programme Operator will submit the Implementing Agency with a confirmed text and evaluation criteria of the open call.
- 16.2. Implementing Agency will launch the open call by publishing the information about the call at least in one national newspaper and at the website of the Implementing Agency at least 5 working days before the start of the launch.
- 16.3. The call for proposals of the open call must be open for applications at least for 60 calendar days.
- 16.4. All references to further information, including a reference to the date, place and agenda of information seminars for open call applicants, the Regulation on the implementation of the EEA and Norway Grants 2014-2021 and relevant guidelines can be found at the web-site of the programme "Local Development and Poverty Reduction": <https://www.sm.ee/en/norway-grants-2014-2021> and at the web-site of the State Shared Service Centre - <https://www.rtk.ee/toetused/toetuste-rakendamine/emp-ja-norra-toetused-2014-2021>.
- 16.5. Contact person for queries is Ms Kelly Poopuu, State Shared Service Centre (e-mail: [Kelly.Poopuu@rtk.ee](mailto:Kelly.Poopuu@rtk.ee)) or an official substituting her. All queries will be answered within 5 working days at the latest. The most frequent and relevant questions and answers on the call papers will be published on the POIA's website.

### **17. Platform and deadline for submitting applications**

- 17.1. Project applications must be submitted through the e-grants web platform <https://etoetus.strukturifondid.ee> by the deadline set in the launching notice of the open call.
- 17.2. The deadline for submitting project applications is September 30, 2020 at 17 o'clock local time.
- 17.3. One application per applicant is eligible.
- 17.4. When a technical error occurs that obstructs the applicants to submit their applications in due time, then the deadline of receiving applications is shifted to the next working day after the error has been fixed.

## **Chapter 6 EVALUATION OF PROJECT APPLICATIONS**

### **18. Processing of project applications**

- 18.1. After the deadline of submitting project applications, the e-grants environment will be closed. When the application is submitted after the deadline and there are no grounds to accept it, the application is returned to the applicant without any evaluation.
- 18.2. POIA will carry out the assessment of project applications to the eligibility and administrative criteria set within 10 working days after the deadline of submission. The assessment deadline will be prolonged by the time given to the applicant to eliminate deficiencies found in the project application.
- 18.3. In case POIA has clarifications regarding the applications submitted, POIA has the right to ask for additional explanations or documents from the applicant on the data submitted or to modify the project application. These modifications may be related to technical mistakes in numbers, dates, indicators and ineligible cost in the budget of the application. If there are ineligible costs in project application POIA will propose the applicant to modify the application by eliminating ineligible activities and reduce the grant amount by these costs. POIA will point at the sections of the application that would need additional clarifications or / documents. POIA will not take into account additional changes in other parts of the application. Project applicant is given up to 10 working days to comply with the requirement. When the requirement is fulfilled, the deficiency is deemed to be cleared.

## **19. Assessment of project applicant, project partner and project proposal**

- 19.1. POIA will declare the project applicant and project partner eligible according to article 14 of the Rules.
- 19.2. The project application does not fulfil the administrative criteria, when:
  - 19.2.1 the application is not in conformity with the criteria set in Art 15 of the Rules and the applicant has not eliminated the deficiencies requested by the POIA in due time;
  - 19.2.2 the application has been modified in parts that were not brought out by the POIA as deficiencies;
  - 19.2.3 the applicant does not enable POIA to verify the correctness of the project information submitted.
- 19.3. In case the project applicant or project partner is assessed as ineligible or the project proposal does not meet the administrative criteria, POIA will make a negative grant decision concerning the application.
- 19.4. A negative grant decision can be appealed according to the timeframe and procedure described in § 73 of the Administrative Procedure Act.

## **20. Project evaluation process and evaluation criteria**

- 20.1. POIA will coordinate the process of evaluating the projects that meet the administrative and eligibility criteria.
- 20.2. Each reviewed by two impartial, independent and reliable experts (i.e. experts involved have no direct or indirect interest regarding the project application in question). Experts cannot be convicted of a professional misconduct or of a crime according to § 209, 210, 211, 212, 217<sup>2</sup> or 280 of the Estonian Penal Code and whose criminal record has not expired and archived. The experts will be proposed by the POIA and appointed by the Programme Operator.
- 20.3. All experts will sign a declaration of no conflict of interest regarding the project application they evaluate as well as they declare not to distribute information acquired in course of the evaluation process. When the expert has been or is engaged in at least

preparing one project proposal or at least one project applicant or partner, he/she will immediately inform POIA about the conflict of interest and remove himself/herself from the pool of experts evaluating this call for proposals. In such a situation, POIA will forward the project proposal to be evaluated by another expert having expertise in the same field.

- 20.4. Experts will evaluate the project proposals according to the Expert Evaluation Sheets (Annex 3) and Guide to the Expert Evaluation Sheet (Annex 4). The evaluation criteria sections are as follows:
  - 20.4.1 criterion 1: Competence and roles of the project team members and the work processes related to the project team → max of 27 points;
  - 20.4.2 criterion 2: Involvement and roles of the project partner → max 10 points;
  - 20.4.3 criterion 3: The creative solution and media strategy for the campaign on raising awareness on domestic and gender-based violence → max 20 points;
  - 20.4.4 criterion 4: Short films on the topic of domestic violence, aimed at children and young people, accompanying guidance/study materials, and the plan for the showing, introduction and distribution thereof → max 15 points;
  - 20.4.5 criterion 5: Awareness-raising activities on the topic of human trafficking committed for the purpose of prostitution and sexual exploitation (hereinafter “awareness-raising activities”), including concept, schedule, and action plan → max 10 points;
  - 20.4.6 criterion 6: The measurability of the expected results of the activities set out in the project application → max 4 points;
  - 20.4.7 criterion 7: Innovation and added value of the project → max 4 points;
  - 20.4.8 criterion 8: Assessment and mitigation of risk factors → max 5 points;
  - 20.4.9 criterion 9: Economic efficiency of the project (necessity, justification and budget clarity of the proposed expenditure) → max 7 points.
- 20.5. The experts shall – using the Evaluation Sheet – separately score the project within 10 working days after having received the project application for evaluation. The arithmetical average score received will be used as a basis for the ranking of the projects. If the difference between the scores given by the two experts is more than 30% of the higher score, a third expert shall be commissioned by the Programme Operator to score the project independently. In such cases the average score of the two closest scores shall be used for the ranking of the projects.
- 20.6. For project proposals receiving less than 50% of the total score, a negative decision will follow automatically.
- 20.7. The ranking list of project applications will be forwarded to the Selection Committee established by the PO. There will be at least three voting members possessing the relevant sector expertise, at least one of them representing the donor programme partners. All members of the selection committee will sign a declaration of no conflict of interest. The Selection Committee may modify the ranking of the project applications or propose only partial financing of projects in justified cases based on transparent criteria. The Selection Committee may also draw up a reserve list, including project applications that are recommended for support, but due to lack of funding cannot be supported at the time of the decision and could be used should further funds become available.
- 20.8. In case the total grant amount applied for is greater than the total budget of the open call and the final score of multiple projects is levelled, then the project with higher combined score of evaluation criterion 3, criterion 4 and criterion 5 will be favoured.
- 20.9. Projects advancing bi-lateral relations with donor countries' projects partners will be rewarded additional points in evaluation scoring, as well as all projects with other project partners from beneficiary countries, incl. Estonian organisations.

- 20.10. PO will sign the minutes of the Selection Committee, where decisions are laid down in a transparent and accountable manner describing which project proposals shall be awarded a grant and which proposals will be rejected.

## **21. Making positive and negative grant decisions**

- 21.1. POIA will cast a decision to award a grant or decline awarding a grant based on the written recommendation of the Selection Committee.
- 21.2. A positive grant decision will include the rights and responsibilities of the grantee, incl. the following:
- 21.2.1 objective, eligible activities and the time-frame of the project;
  - 21.2.2 rules of implementation;
  - 21.2.3 eligibility period of the project activities;
  - 21.2.4 budget of the project activities, incl. the grant rate and the co-financing rate;
  - 21.2.5 terms of project reporting;
  - 21.2.6 terms of reimbursement requests and payments to projects;
  - 21.2.7 information about state aid, *de minimis* aid, in case it deems to be relevant;
  - 21.2.8 project output and outcome target indicators;
  - 21.2.9 pre-conditionalities set for the project implementation.
- 21.3. Project application in conjunction with the additional information received are an integral part of the positive grant decision. The grant decision can make reference to the information in the application itself, in case it is accepted in the wording laid down in the application.
- 21.4. POIA will cast a negative grant decision, when:
- 21.4.1 the project applicant, partner or the project application fails to meet the eligibility and administrative criteria set in Art 14 and Art 15 of the Rules;
  - 21.4.2 in case the project application has been set a pre-conditionality and the pre-conditionality is not fulfilled;
  - 21.4.3 it is proven that the project applicant or partner has influenced the evaluation process by fraud, threatening or in some other illegal way;
  - 21.4.4 the Selection Committee recommends not to award a grant to the project;
  - 21.4.5 the application will not exceed the minimum score barrier of 50% set in article 20.6 of the Rules;
  - 21.4.6 the budget foreseen for the open call will be exhausted;
  - 21.4.7 the project applicant does not accept awarding the grant to the project only partially as described in article 22 of the Rules.
- 21.5. When casting a negative grant decision, POIA will clearly show the circumstances and findings why the negative decision has been made.
- 21.6. The grant decision will be forwarded to the project applicant via e-grants web environment within 5 working days after the decision has been made.

## **22. Making a positive grant decision partially**

- 22.1. POIA has the right to propose the applicant to modify/update the activities and budget of the project and the grant amount applied for, provided that the grant size and grant rate will not increase, except in case it is necessary to amend the mathematical errors made. The applicant has a right to modify/update the application only in the section(s) POIA has brought out.
- 22.2. Positive grant decision can be made partially also in the following cases:

- 22.2.1 the objectives, results or target indicator values are achievable also with a smaller total amount budgeted for the project activities
- 22.2.2 project proposal includes some ineligible activities or activities that are not necessary to achieve the objectives, results or target indicator values of the project.
- 22.3. A partial positive grant decision can be made only when the project applicant agrees with the POIA's proposal to decrease the grant amount applied for or change the project activities.

## **Chapter 7**

### **AMENDING AND TERMINATING THE POSITIVE GRANT DECISION MADE**

#### **23. Amending the grant decision made**

- 23.1. Amendments to the positive grant decision can take place upon an initiative of POIA or the Project Promoter or the PO in written form in the e-grants web environment.
- 23.2. Amendments to projects that do not cause a change in project objectives, activities, and outcomes, as well as financial amendments that cumulatively do not exceed 15% of each cost category do not require an official amendment of the grant decision. In these cases, project promoter will submit a justification of the changes in written form to POIA. POIA assesses the justification of the proposed amendment and give feedback to the project promoter. Direct personnel costs and indirect costs together form one cost category.
- 23.3. Before the grant decision is amended, POIA will check the relevance and necessity of change in:
  - 23.3.1 the activities, the scope of activities, additional activities or cancelling activities;
  - 23.3.2 the targets indicate values at outcome or output levels;
  - 23.3.3 total eligible budget of the project activities or in grant rate;
  - 23.3.4 the eligibility period of the project activities;
  - 23.3.5 other conditions set in the grant decision.
- 23.4. POIA has the right to decline amending the grant decision when the changes raise the risk in achieving project results or finishing project activities within the eligibility period.
- 23.5. When deemed necessary, POIA will consult the PO regarding the amendments in question.
- 23.6. POIA will cast a decision regarding the proposed amendments within 20 working days after having received the amendment application without deficiencies or after having launched the amendment initiative itself.

#### **24. Terminating the grant decision made**

- 24.1. POIA will terminate the grant decision made partially or fully in the following cases:
  - 24.1.1 when circumstances appear, that would not have allowed to grant a positive grant decision;
  - 24.1.2 when the applicant has knowingly given (partially) false information or have knowingly held information during the project application evaluation phase or already while implementing the project;
  - 24.1.3 in case the project application has been set a pre-conditionality and the pre-conditionality is not fulfilled;
  - 24.1.4 when the project amendment proposal is not approved and therefore it is impossible for the Project Promoter to continue with the project activities;

- 24.1.5 when the Project Promoter submits an application to terminate the positive grant decision made.
- 24.2. In case of termination, the Project Promoter has an obligation to return the grant amount received as a result of the positive grant decision made.

## **Chapter 8**

### **REPORTING AND PAYMENT REGULATIONS**

#### **25. Regulations for submitting project reports**

- 25.1. Project Promoter will submit an interim project report to the POIA at least once a year at the deadline laid down in the positive grant decision made. A more frequent reporting cycle can be foreseen in the down in the positive grant decision document.
- 25.2. In case the eligibility period of the project is up to 18 months, only a final project report is deemed to be submitted by the Project Promoter to the POIA.
- 25.3. Project promoters shall submit project final reports within 45 days after the final date of eligibility.
- 25.4. In case the time period between the deadline of the interim project report and the final project report less than 6 months, only a final project report is deemed to be submitted.
- 25.5. At least the following information shall be stated in the final report of the project:
- 25.5.1 project-related data stipulated in the decision to grant support: name of project, project number, name of beneficiary, etc.;
- 25.5.2 cumulative reporting period of the project;
- 25.5.3 cumulative reporting of output and result indicators of the project;
- 25.5.4 risk assessment and changes to the project;
- 25.5.5 assessment of the functioning of the partnership;
- 25.5.6 conclusion of the awareness campaign set out in article 6.3 of the Rules, i.e. overview of the activities performed, detailed overview of the channels used along with real examples (images, extracts, etc.), quantitative and qualitative results, and an aggregated assessment of the campaign conducted, incl. most important achievements and failures, as well as recommendations for the implementation of similar awareness campaigns in the future;
- 25.5.7 conclusion of the follow-up study results of the awareness campaign set out in article 6.3.5 of the Rules (incl. how memorable the campaign was, how various media types performed, to what extent and how was the campaign message understood, how likeable was the creative solution, what was the impact of the campaign on awareness and behavioural patterns / attitudes);
- 25.5.8 overview of the activities and volumes concerning the showing of short films and the distribution and introduction of accompanying guidance/study materials which have been set out in article 6.4 of the Rules (e.g. number of times the advertisement was displayed in social media or in digital learning environments, the number of times the videos were shown in school classes and the study materials were used), the size of the target group involved in the activities, the role of the expert in implementing the activities, initial feedback and recommendations for amending/supplementing the guidance/study materials developed. Also information on the digital learning environments through which the short films and guidance/study materials will be available for public use in the future;
- 25.5.9 overview of the content and volume of the awareness-raising activities set out in article 6.5 of the Rules, the size of the target group involved in the activities (incl. information about how the requirement set out in article 6.5.4 of the Rules was met), as well as

- feedback on the activities carried out and an assessment of the success of the activity, if possible;
- 25.5.10 aggregate assessment by the violence expert and prostitution expert on the performance and implementation of the project and achievement of the goal established;
- 25.5.11 confirmation of the accuracy of data.
- 25.6. The beneficiary shall attach to the final report of the project the copies of the materials developed during project activities, incl. the visual materials of the awareness campaign set out in article 6.3 and the short films and guidance/study materials set out in article 6.4 of the Rules. The beneficiary shall retain ownership of the materials.
- 25.7. Project interim reports and final report will be submitted via the e-grants web environment <https://etoetus.strukturifondid.ee>.
- 25.8. POIA will check the report within 15 working days after having received the report. In case the report needs clarifications, POIA has the right to ask for amendments or changes to be made in the report. In case of properly completed report, POIA will approve it within 5 working days.
- 25.5. POIA will inform the PO immediately in written format after the approval of the report.

## **26. Regulations for payments to projects**

- 26.1. Payments to project are made according to the current Rules and the regulations set in the grant decision.
- 26.2. Payments to projects are subject to a positive grant decision made, partnership agreements signed between the Project Promoter and project partner as well as eligibility of costs and activities related to the costs.
- 26.3. Project Promoter who does not have the possibility of using national „bridge financing“, is eligible for pre-financing. The first advance instalment may be up to 20% of the project grant. Subsequent payments shall be paid when at least 70% of the previous advance payment has been utilised and approved. The final payment constituting in minimum 15% of the project grant shall be made within 1 month after approval of project final eligible costs and the final report.
- 26.4. Project Promoter will submit an advance payment request or a reimbursement request in a given format via the e-grants web environment.
- 26.5. A reimbursement request is submitted via the e-grants web environment when the costs have actually incurred and have been paid for. Reimbursement requests (i.e. interim financial reports) can be submitted for the implementation periods covering a minimum of 1 month up to a maximum of 3 months.
- 26.6. Before the 1st reimbursement request (or in parallel with that), the Project Promoter must submit POIA:
- 26.6.1 an extract of the accounting regulations of the organisation, where it can be identified how the project costs and payments are separated from the other financial transactions of the organisation;
- 26.6.2 a copy of the procurement rules of the organisation;
- 26.6.3 a short description of the regulations how documents are being approved and signed, also how authority is delegated inside the organisation;
- 26.6.4 a short explanation on how the Project Promoter will guarantee the maintaining of relevant documentation until the required time period.

- 26.7. POIA will make the verification checks of the project expenditure. The Project Promoter is obligated to submit all asked invoices, receipts and other supporting documents and procurement documents to POIA as well as allow POIA permission to procurements related to project activities at the national procurement registry.
- 26.8. POIA can suspend the processing of the reimbursement request partially or fully in the following cases:
- 26.8.1 there are deficiencies in the reimbursement request submitted;
  - 26.8.2 conditions subject to the use of grant have not been fulfilled;
  - 26.8.3 the eligibility of costs declared is unclear;
  - 26.8.4 there is reasonable doubt that the Project Promoter is not able to fully implement the project or reach the results within the time-frame available;
  - 26.8.5 the amount requested can be offset with the amount reclaimed as a result of an irregularity detected;
  - 26.8.6 an irregularity with potentially financial consequences is being investigated or the grant reclaimed already has not still been fully reimbursed;
  - 26.8.7 payments to PO have been suspended as a result of Project Promoter action.
- 26.9. POIA will verify the payment claim (reimbursement request) within 20 working days after having received the request.
- 26.10. In case there are shortcomings in the reimbursement request presented, POIA will give the Project Promoter a reasonable deadline to eliminate these shortcomings.
- 26.11. The final payment shall be made within 1 month after approval of project final eligible costs and the final report. The final payment constitutes in minimum 15% of the project grant.

## **Chapter 9**

### **RIGHTS AND RESPONSIBILITIES OF THE PROJECT PROMOTER, PROJECT PARTNER AND PROGRAMME OPERATOR IMPLEMENTING AGENCY**

#### **27. Responsibilities of the Project Promoter and project partner**

- 27.1. Project Promoter is responsible for the successful implementation of the project within the eligibility period and according to the Rules. Additionally, the Project Promoter:
- 27.1.1 gathers and forwards the PO the progress of output and outcome indicator levels. The Project Promoter must maintain in written format the list on target group persons engaged in project activities;
  - 27.1.2 shall not hire a person residing illegally in Estonia;
  - 27.1.3 keeps records of revenue obtained through the activities of the project;
  - 27.1.4 adheres to the principles of public procurement using public funds economically and purposefully. The result of the procurement must be achieved with a reasonable price and – when possible – weighing the price-quality ratio through competition;
  - 27.1.5 takes comparative offers when the price of the service, goods or construction is 5000 euros or more (without VAT);
  - 27.1.6 when being a contracting authority with regard to § 5 of the Public Procurement Act, follows the regulations set in the Public Procurement Act;
  - 27.1.7 gathers and forwards the PO and POIA the information on project progress and agrees – without any delays – to give auditors and monitoring authorities access to project documentation and project grounds;
  - 27.1.8 maintains the project documentation until Dec 31, 2028;
  - 27.1.9 organises at least 2 information activities on progress, achievements and results in the project, such as a seminar or a conference with stakeholders, a press conference or press event, including a launch activity and/or a closing activity for the project; launches

a project web-site in Estonian and English either through a dedicated website or through a dedicated webpage on the organisation's existing website with linking between the pages.

- 27.2. Upon approval of the project final report the Project Promoter must grant for at least 5 years free user rights to the short films and their guidance materials. Copyright of the materials remains in the hands of the Project Promoter.
- 27.3. In respect to eligibility of project costs, the project partner bears the same responsibilities as the Project Promoter.

## **28. Rights of the Project Promoter and project partner**

- 28.1. Project Promoter and project partner have the right to receive information and support from POIA, regarding the legislation and rules regulating the implementation of the project and the relevant Project Promoter responsibilities related to it.
- 28.2. Project Promoter has the right to submit a grant decision amendment proposal when the progress of project activities proves it necessary.
- 28.3. Project Promoter has a right to be heard out, present additional evidence, arguments, opinions and objections in proceedings with respect to the Project Promoter, before:
  - 28.3.1 a resolution is drawn in regard to the Project Promoter;
  - 28.3.2 amending or terminating the positive grant decision made, except a fully approved decision that was proposed by the Project Promoter itself;
  - 28.3.3 reclamation of grant in case of irregularities detected in a project implemented by the Project Promoter.
- 28.4. Project partner exercises the same rights as the Project Promoter.

## **29. Responsibilities of the Programme Operator Implementing Agency**

Programme Operator Implementing Agency is obligated to:

- 29.1 inform the public and potential applicants on the possibilities to apply for a grant and the rules and regulations established for applications;
- 29.2 process project applications and cast grant decisions;
- 29.3 process reimbursement requests, incl. making payments suspending payments or declining payments;
- 29.4 make a decision on partially or fully terminating the positive grant decision made;
- 29.5 make a financial correction decision in case irregularities and reclaim the ineligible grant;
- 29.6 gather information on the progress of target indicator values at output and outcome levels and forward this information to the Programme Operator for monitoring purposes;
- 29.7 fulfil other tasks given by the PO.

## **30. Financial corrections**

A financial correction to be made to a project follows Article 12 of Chapter 3 of the 2014-2020 Structural Assistance Act and Chapter 4 of the Regulation of the Government of the Republic of Estonia No 143 from Sept 1, 2014 "*The rules and procedures for the eligibility of costs, grant payments, irregularities and grant reclamation for the Structural Funds period 2014-2020*", including that:

- 30.1 Project Promoter must reimburse the grant amount laid down in the financial correction decision within 60 calendar days after the decision has entered into force;
- 30.2 the grant amount to be reclaimed can be offset with the amount to be reimbursed to the Project Promoter within the same project;
- 30.3 the deadline for the grant amount to be reclaimed can be rescheduled in justified cases, when reclaiming the grant amount at once could push the Project Promoter into serious financial difficulties. In such a case, an interest rate is applied, that is Euribor 6 months plus 3% a year. Euribor 6 months is fixed on a banking day preceding the financial correction decision date. Base for interest calculation is a 360-day period;
- 30.4 in case the grant has not been reimbursed by deadline given, the Project Promoter is also subject to overdue charge of 0,1% of every calendar day delayed. Charging overdue is limited to the main grant amount to be reclaimed. Overdue is not charged from government institutions;
- 30.5 when receiving the reimbursement, priority is given to overdue charges, then interest calculated and lastly the grant to be reimbursed as a result of financial correction made.
